Every time I pray for you, I pray with joy.
– Philippians 1:3

Greetings from Adrian, Michigan!

Thank you for your interest in the Adrian Dominican Sisters Memorial and Tribute Cards Program.

We are excited about the variety of greeting cards we have available for you, each featuring the artwork of one of our very own Sisters. You'll find that in addition to our current sympathy, memorial, and thinking of you designs, a new birthday card and two new get well cards have been added.

Included with each card is a remittance envelope. When you send a card to a friend or loved one, we invite you to use the envelope to make a donation to the Adrian Dominican Sisters.

Did you know that when you use our Card Program, you're supporting our Sisters in active ministry across the United States, in the Philippines, and the Dominican Republic? Or that when you use our Card Program, you are also providing care for our retired Sisters? Several times over, we've heard how meaningful these cards are to those who receive them. In fact, one of our friends who received a card after the passing of her father-in-law, had this to say: “Receiving a card from my friend on the loss of my loved one was so special. Knowing that she donated to the Sisters in memory of my father-in-law and that her gift would help the Sisters meant the world to me.”

To receive cards, please contact the Office of Development at 517-266-3480 or email us at development@adriandominicans.org. You can also order cards through this form or online at http://www.adriandominicans.org/WaystoGive/MemorialsandTributes.aspx. Thank you for your interest in supporting our Sisters and their Mission and ministries.

With gratitude,

Amy Palmer, MA, CFRE
