

The Climate Finance Landscape – Mitigating the Impact of Climate Change

A Portfolio Advisory Board Presentation

Guest Speaker: Geeta Aiyer, CFA

President and Founder of Boston Common Asset Management

Geeta Aiyer combines training and over 25 years of experience in finance with passion for the environment and social justice.

Under Geeta's leadership, Boston Common has built a strong investment record and substantially improved the policies and practices of portfolio companies through shareowner engagement.

Geeta's prior work experience includes positions at U.S. Trust Company, Cambridge Associates, and in rural development/public administration in India. She has founded Walden Capital Management, as well as a

non-profit, Direct Action for Women Now (DAWN) Worldwide.

Geeta Aiyer, CFA
*Founder and
President,
Boston Common
Asset Management*

Geeta was honored with the Joan Bavaria Award (2015) for Building Sustainability into the Capital Markets and the SRI Service Award (2013), recognizing leadership and innovation in responsible investing.

Geeta serves on the UN-supported PRI Association Board and the Board of Directors of the Sierra Club Foundation, Earthworks, and YW Boston. She received her MBA from Harvard University and her BA and MA degrees from the University of Delhi, India.

Thursday, September 8, 2016
